

Alliance for Housing Solutions Bozman Award

The Alliance for Housing Solutions (AHS) has created an annual award honoring the late **Ellen M. Bozman**, long time Arlington County Board member and leader on affordable housing issues. Mrs. Bozman, a founder and a member of AHS's Board of Directors, died earlier this year.

The award will recognize an individual or organization which has significantly advanced efforts to increase the supply of and/or to improve the quality of affordable housing in Arlington through leadership, innovation and effectiveness over time. Recognition can be for contributions made through Commonwealth or Arlington County policies and programs, project design and implementation, services which improve the quality of life for residents of affordable housing developments, public advocacy, or public education.

Nominations must be submitted in writing and document the nominee's contributions to advancing affordable housing in Arlington. Supporting letters are encouraged. Nominees need not be residents of or located in Arlington.

Nominations must be received by June 30, 2009 and sent to The Alliance for Housing Solutions, P.O. Box 7009, Arlington, VA 22207. The first award will be presented September 26 in the Community Center of the Gates of Ballston, an affordable housing development, in Arlington.
