

**New Housing Advocacy Toolkit Made Available
February 2009**

The Washington Area Housing Partnership (WAHP) is proud to announce the launch of its **Affordable Housing Toolkit for Advocates**. WAHP invites housing advocates from across the National Capital Region to the first toolkit training session on Thursday, February 19th. This event will be held from 9:30 – 11:00 AM at the Metropolitan Washington Council of Governments, located at 777 North Capitol Street NE, Washington, D.C. 20002.

All participants will receive a toolkit containing a comprehensive suite of information, including PowerPoint presentations, fact sheets, profiles, and case studies. These materials can be used in sessions that inform community members, colleagues, and public audiences about the importance of preserving and creating affordable housing opportunities in the region.
